Regent of the Order**

**Aleksander Graff de Pancsova, GCCStS
Grand Chancellor of OStS**

IX Grand Master of the Order of Saint Stanislaus Jan Zbigniew Potocki, I would like to inform you that Waldemar Wilk was disciplinarily removed from the structures of the Order, without the right to return on the basis of DECREE NO. 2012/05 (attachment).

At the same time, he was deprived of any titles and decorations, as well as the right to make any decisions.

The reason for the removal of Waldemar Wilk from the structures of our organization coincides with the allegations raised by the gentlemen in the letter of May 31, 2022.

The decision of IX Grand Master Jan Zbigniew Potocki is irrevocable.

I remind all Ladies and Knights that the VIII Grand Master Juliusz Nowina-Sokolnicki, before his death, contacted me with the information that Waldemar Wilk did not deserve any of the dignities of the Order of St. Stanislaw due to dishonesty and fraud that he committed against him.

Warsaw, September 15, 2022
